

TUESDAY, OCTOBER 20th

All times in Central Daylight Time

9:45 AM CONFERENCE OPENS - *Join us early to settle in and ensure your tech is in working order.*

10:00 WELCOME & KEYNOTE: "Partnering With Our Customers to Deliver" - *Tom Samuel, CEO*

CLIENT STORIES: "Executing Partnership to Deliver Value" - *Neil Thomas, VP, Product Strategy*

11:00 30-MINUTE MEAL BREAK - OPTIONAL NETWORKING

11:30 **CLIENT-LED SESSION:**
Partnering to Build ProAuthor -
From Concept to Delivery

Listen to our customer at **NetJets** share how they partner with us to deliver timely solutions that drive immediate value to their operations. Our ProAuthor product is a great example of Comply365 partnering with our clients to deliver features that deliver value and are based on customer requirements and priorities.

12:00 PM **CLIENT-LED SESSION:**
DCM Smart Distribution - Partnering With
Our Customers for Continued Innovation

For the last decade, Compy365's DCM product has remained the leader in delivering mission critical content and documentation to operational end users. Hear from **Southwest Airlines** to learn how Comply365 is collaborating with a Client Advisory Board to design, develop and deliver our new "DCM Smart Distribution" features that will enable users to access relevant content even more effectively than they do today.

12:30 15-MINUTE BREAK

12:45 "Adding Value Through Strategic Partnerships" - See how you can utilize Comply365 to manage your audit preparation

A critical component of any operation is the successful completion of audits, whether regulatory or internal. Preparing for audits has been hard, time consuming and expensive because organizations treat them as one-time projects rather than a routine part of content management. Comply365 makes identifying and tracing content to standards easy, and we've partnered with the leading providers of Standards Libraries to monitor and populate version changes.

1:15 **CLIENT-LED NETWORKING SESSION**

Meet your colleagues from across the industry to share "Tips & Tricks For Doing More With Less."
